

Direct Support Professional/ PCA/ Caregiver

BRIDGE For Community Life

Join our team! Direct Support Professionals provide an essential service to families and is highly rewarding! This position is ideal for a person who enjoys working with children. We seek candidates who are interested in helping children with disabilities after school, evenings, and/or weekends. Assisting with activities of daily living, doing community outings, and assisting with homework are some examples of necessary activities.

General:

Direct Support Professionals work 1 to 1 with children and adults with intellectual and/or physical disabilities in their home. They provide safe and essential care including routine activities of daily living, safe & engaging community outings, after school care, and more.

This is a great opportunity to gain hands on experience in a non-profit organization for those going into the teaching field, special education, physical therapy, occupational therapy, speech therapy, or medical industry.

If you have been a caregiver, PCA or have had similar experience and are ready to use your skills in a more dynamic environment, this position may be just for you.
